Butterflies serve as symbols of hope, courage and transformed life — themes repeatedly found within the donation and transplantation journey. Join us in honoring those touched by organ, eye and tissue donation during National Donate Life Month and create your own "Donate Life" origami butterfly.
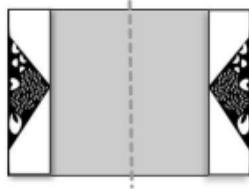

PLEASE SCAN THE QR CODE TO VIEW OUR VIDEO TUTORIAL FOR EXTRA SUPPORT:

1. Cut out the rectangle. Fold the narrow side rectangles to the back.

2 Fold in half and leave folded.

3 Fold the top down to the bottom and then open back up.

4 Rotate a quarter turn so that the fold is at the top. Fold the top corners into the center line.

5 After folding the corners down, open them back up.

6 Fold the bottom right corner over to the left corner

7 Turn over and Repeat on the other side.

8 Rotate so the point is at the bottom

9 Crease along the indicated lines

10 Fold the wings down

11 Cut the antennae on the back and fold upward.

↑ Antennae, cut and fold upward in a crisscross.
